

Short Bio of **Mohamed - Nabil SABRY**

Born in Cairo, May 13th 1953, (+2) 0122 316 99 56, mnabil.sabry@gmail.com

Actual Position:

- **Professor**, Engineering Faculty, Mansoura University, Egypt
- **Acting Director**, Mansoura University Nanotechnology Center

University Degrees:

- Doctorat ès Sciences, INPG, France, 1984
- B.Sc. with Honors, Ain Shams U., 1976

Highlights:

- **Founding director** of Mansoura Univ. Nanotechnology Center, Egypt
- **Founder** of the Egyptian National Nanotechnology Network, Academy of Scientific Research
- **Dean and Founder** of the Engineering Faculty, French U. in Egypt
- **Ex-Head of Mechanical Power Dpt.**, Engineering Faculty, Mansoura U., Egypt, 2011 – 2013
- **Founding Director of Mechatronics Program**, Mansoura U.
- **Publication** of 50+ scientific articles in international journals and conferences
- **Co-Author of “Encyclopedia of Thermal Packaging”** World Scientific Publishing
- **Google Scholar: H-index 14**, 944 total citations (Scopus: H-index 12)
- **Associate Editor, IEEE/J. Components & Packaging Technology (CPT)** (2011 – Present)
- **Guest Editor, ASME/ J. Heat Transfer** (2011) & **ASME/ J Electronic Packaging** (2008)
- **Member** of the Engineering Sciences Council, National Academy of Scientific Research and Tech., active participant in committees defining **national R&D priorities**, Egypt, 2009/16
- **Ex-engineering manager** of Analog & Mixed Signals, worldwide, Mentor Graphics, France
- **Coordinator** for Mansoura U. for the **Center of Excellence for Energy with USAID**
- **Director and founder** of the French University Research Center, (1st RD center in a private university) Cairo 2004 – 2010
- **Award of Appreciation**, Mansoura Univ., 2016
- **Harvey Rosten International Award** for excellence in the field of Electro-thermal analysis for 2002. (delivered in San Jose, California, March 2003)
- **Chairman of 4 international conferences**
- **Principal Investigator** of the **UNESCO-MIT** funded project “Open Educational Resources”
- **Invited speaker** by the **UNESCO** & by **MIT** in 6 international conf. on educational technology
- **R&D (consultancy) Contracts** with private industries: Mentor Graphics, Si-Ware, ENPPI ...
- **Research Grants** from public institutions: STDF, RCREEE, NTRA ...
